Introducing the Multinational Client Practice

Multinational Clients Practice

We become greater, together

Our vision	Approach	How we will deliver on it	Size of opportunity
To be a leading broker for large and complex business	Build a global team with a central Client Advocate role to deliver the Firm Engage in opportunities across product lines, geographies and P&Ls	Producer business Collective Power: 1+1 New business RFPs	Our competitors are earning £100-200m+ in London plus carrier income (vs. our income of £6m)

Global Specialty Practices & Growth

Collective Power
