How to request Matched Funding

What is Matched Funding?

If you fundraise for, or donate to, an eligible charity you can apply for matched funding. The Howden Foundation will match up to £750 (or local currency equivalent) of donations made to, or raised for, an eligible charity or non-profit organisation, per employee per financial year (1 October – 30 September). This is a great way of raising more money for your chosen cause.

Apply for Matched Funding

1. Once you have logged into the Group Giving platform, on the top menu bar, however over 'Make a Donation'. You should then see the options shown below. Click on 'Request a Match'.

2. Once you have clicked on 'Request a Match', you will find yourself on the page below. Please make sure to fill in all the required information on the page.

Request a Match

Request a match for an external donation you made directly to a cause.
You do not need to request a match for a donation made in Group Giving or the Benevity app—the match is automatically added.

3. Check whether the organisation is eligible for matched funds by searching for the Cause. You can refer to the Matched Funding Guidelines, available in Quick Links to see the eligibility criteria.
4. When asked for proof of your fundraising or donation, attach a screenshot of your fundraising page or receipt of donation (PDF or image file), you may also wish to share your fundraising URL. Please ensure the donation date on the form matches the donation date on the receipt you submit (where applicable).
5. Ensure the request is made within 3 months of your donation or personal fundraising event.
6. Once you have completed all the necessary information, please remember to click 'Confirm Match Request' at the bottom of the page.
7. All applications will then be sent to the Community Impact team for approval. You will receive email confirmation once the application has been approved.

N.B. If you made your donation through the Group Giving platform, please check that you have not already received automatic matched funding before submitting an application. You can check this on the last page of your donation receipt.
